3 October 1960

CONTRACT APPROVAL NO. 23  
Contract No. SP-1918  
Conversion of Article 367

Confirming verbal approval previously granted, you are authorized to convert article 367 from Project configuration to basic FOG configuration and re-identify as Serial Number 56-6700. Provisions for equipment applicable only to Project will be removed except the giant stride provisions which will be retained. In addition, slipper tanks will be left installed. The aircraft will be painted the same gray color as article 348. Upon completion of the conversion effort, the aircraft will be entered into the IRAN line for updating to the latest configuration. The WSFO is to be notified prior to delivery upon completion of IRAN.
